Otoya, Oscar

January 14, 1918

New York. Jan. 14-1915

Dear Mr. Belden:

The price for the collection of the Mexican coins will be $3.000 (three thousand), and together with the other coins, 3.300 (three thousand three hundred).

I think you will find this really cheap, because it is a very complete collection, and there are in it the most interesting coins.

Hoping we will succeed in the transaction I remain

Very truly yours.

Oscar Hoya
